

Livin' on Livin'

(B.Fontana)

You not the same anymore...
what has gone wrong in your heart?
Would you like to come with me
and take a new start?

Livin' on Livin'
Make it through the Night

Livin' on for a new day...
Everything can't be the same...
Let's find love through a new way...
Remember the dreams we had ...

Livin' on Livin'
Remember the Dreams we had
