

Rythms of Life

(B.Fontana)

Is this what you hear?
Is this what you see?
Always chasing broken hearts in a fantasy
Is this just the way you feel?

Come on and dance with me on Rythms of Life!

Is this what you need?
Is this what you feel?
Always you seem to fall apart ... giving me love so clear
Is this where it stops now?

Come on and dance with me on Rythms of Life!
