TURNING CIRCLES

(B.Fontana)

Feelings gone to my head
And everything seems so strange

Does anybody fail to see
That everything is so strange to me

Like Love ... What is love?
Don't you know ... lovers are so deranged ...

I'm Turning Circles ... why don't you look at me?
I'm Turning Circles ... why you stare at me?

So strange the way I feel
Like a foreigner in a lost town

Can't you see what my eyes see?
Maybe all is just pure fantasy

Mesmerized fears I feel
Part of a dream or reality?

I'm Turning Circles ... why don't you look at me?
I'm Turning Circles ... why you stare at me?

... Turning Circles ...
... Turning Circles ...
