EMOTIONS FOR LOVE

(B.Fontana)

Love ... where will you find love ? ... been searching
Love ... where has it gone so long? ... been waiting
For love ... where is it hiding from you? ... been dreaming
Love ... why don't you see love?
Gotta take it when it comes to you

Come on & let me see your Emotions for Love
Come on & let me feel your Emotions for Love
Come on & let me need your Emotions for Love
Come on & let me breathe your Emotions for Love

... Emotions for Love ...
