**WORLDS**

(B.Fontana)

Livin' world waiting for the sun, purpose to hang on a lifetime  
All I see is where have we gone ... what have we done? Have we gone too far?  
You look at me ...what do you need? A code of morality? Some love?  
Places with no shine ... with no smiles, with no joy, with no life ....

*Fallen Worlds hang on for a lifetime*  
*Shaken Worlds hang on for a lifetime*  
*Changing Worlds hang on for a lifetime*  
*Fallen Worlds hang on ....*

Dyin' world awaits the new sun, a purpose to hang on more than a lifetime  
Born to live, born to destroy, with the crowd's cheers, with god's joy ...  
You look at me ... What do you need? Moral sensitivity? Some love?  
Places with no hope, with no life, with no joy ... out of time ...

*Fallen Worlds hang on for a lifetime*  
*Shaken Worlds hang on for a lifetime*  
*Changing Worlds hang on for a lifetime*  
*Fallen Worlds hang on ....*
