**SAVE ME**

(B.Fontana)

Sometimes my eyes are so blind, can't see your love  
Sometimes my eyes deceive, just blinding me ...  
Sometimes love breaks inside shattered like glass  
Words of silence can be lost time ...

& I don't know what I'm seeking for ...  
I just feel I can lose my soul ...

Will you Save Me?  
Can you Save Me?  
Need you to Save Me ...  
Just Save Me ...

Sometimes I lose my mind, failing to see  
Sometimes my mind is weak, ignoring me ...  
Sometimes love feels so bad on that sacred ground  
A loss of reason, spinning round & round & round

& I don't know what I'm thriving for ...  
I just feel I can lose my soul ...

Will you Save Me?  
Can you Save Me?  
Need you to Save Me ...  
Just Save Me ...

& I don't know what I'm aiming for ...  
Just feel I can lose my soul

Will you Save Me?  
Can you Save Me?  
Need you to Save Me ...  
Just Save Me ...
